

Itinerary

June 12th – June 15th 2017

Whiteman Air Force Base, Missouri

Activated on 14 June 1917, the 13th Bomb Squadron will celebrate "100 years of The Devil's Own Grim Reapers" on 14 June 2017. This 4-day event will bring together past, present, and future generations of 13th Bomb Squadron service members. The Reaper centennial is a historic event celebrating one of the United States Air Force's oldest flying squadrons. By connecting those who built our legacy of excellence with those who currently carry it, this event will ensure the legacy continues well into the future.
